

JOURNAL OF INSTITUTE OF POLYMER ENGINEERS (JIPE)

A publication of the Institute of Polymer Engineers

CALL FOR PAPERS

The journal is a peer reviewed journal published by the Institute of Polymer Engineers, a Division of the Nigerian Society of Engineers.

The journal offers the polymer community of academicians, research workers and industry professionals a fast, innovative, efficient and flexible route for the publication of original research and reviews. The scope of the journal covers Polymer Science and Engineering, Adhesives, Rubber technology, Polymer Design and Processing, Fabrication and Manufacturing, Polymers in Environmental Sustainability, Composites, Fibers, surface coating, etc.

Contact:

The Editor-in-chief, Journal of Institute of Polymer Engineers, Dr T K Bello, Department of Chemical Engineering, ABU Zaria, 09092547792.

Associate Editor/Journal Manager, Journal of Institute of Polymer Engineers, Engr. Dr. S. C. Nwanonyi, Dept of Polymer and Textile Engineering, FUTO, Owerri. 08037727682

Plagiarism:
similarity index <20

Processing / Publication Fee
N5, 000 / N10, 000

Time to 1st decision: 4 weeks

Review time: 5 weeks

Publication time: 1.5 weeks

Guide for Authors:

- MS Word
- 12-point Times Romans
- Double Spaced
- 25 mm margin both sides
- Title in upper case (17 words max), sub-heading in title case and sub-sub heading in sentence case.
- Full name and affiliations;
- * corresponding author, email
- Abstract < 250 words
- 5 key words in italics
- Tables should be titled above and figure titled below

Introduction:

- Materials and Methods
- Results and Discussions
- Conclusions
- Acknowledgement
- References (APA style)

Manuscripts should be submitted with evidence of payment of processing fee

Account: Institute of Polymer Engineers, 1012256944, Keystone Bank.
